

## Colorado Kids Sun Care Program

University of Colorado at Denver and Health Sciences Center  
4200 E. 9<sup>th</sup> Avenue, Box B-119  
Denver, Colorado 80262

May 2, 2005

Dear <<Parent First Name>>,

As you know, you and your child, <<Child Name>>, are part of a research study called the "Colorado Kids Sun Care Program." With this letter, we are sending your first newsletter with information about skin cancer and how to protect your child from the sun. Over the next 3 weeks, we will be sending you 3 more newsletters on this topic. We hope you will read the information carefully and that it will be helpful to you.

Sincerely,

*Lori A. Crane Ph.D.*

May 9, 2005

Dear <<Parent First Name>>,

This is your second mailing for 2005 from the "Colorado Kids Sun Care Program." In the information enclosed, you will learn about your child's risk for skin cancer. We selected this information specifically for you, based on information from the telephone interview or the skin exam that you and your child completed last summer. This information indicates that your child gets sunburned easily.

Please read the enclosed newsletter to learn about <<Child Name>>'s chances of getting skin cancer at some time in his/her life. Over the next few weeks, we will be sending more information about what you can do to lower your child's chances of getting skin cancer. We hope you find this information to be helpful.

In this mailing, we are including a refrigerator magnet with sun protection tips.

Sincerely,

*Lori A. Crane*

May 16, 2005

Dear <<Parent First Name>>,

This is your third mailing for 2005 from the "Colorado Kids Sun Care Program." In the information enclosed, you will learn how you can lower <<Child Name>>, 's chances of getting skin cancer by limiting the amount of time that your child spends unprotected in the mid-day sun. Please read it carefully.

We hope you find this to be helpful.

Sincerely,

*Lori A. Crane*

May 23, 2005

Dear <<Parent First Name>>,

This is your fourth and final mailing for 2005 from the “Colorado Kids Sun Care Program.” In the information enclosed, you will learn how you can use clothing and sunscreen to protect <<Child Name>> from the harmful effects of the sun. Please read it carefully!

We are including a “rash guard” shirt (which is great for swimming) and two bottles of sunscreen to get you started lowering your child’s chances of getting skin cancer some day. The shirts were provided to us at a discount by **sunfriendlyproducts.com** and the sunscreen was donated by **Schering-Plough Healthcare Products, Inc.**

We hope you find this to be helpful!

Sincerely,

*Lori A. Crane*
